

CONVICTS FOUGHT LOSING BATTLE

Leader of the Gang Was Killed.
Another Member is Fatally
Wounded.

THIRD ONE'S CONDITION BAD

Had Escaped From Oregon State
Prison at Salem—Possess Was
Too Strong For Them.

Salem, Oct. 17.—The battle that
began last night between a posse of 30
men and three escaped penitentiary
convicts, was resumed at dawn today
with the result that one of the convicts
is dead and another seriously wounded.
A third was seriously wounded last
night. The battle today took place on
the bank of the Willamette river, about
three miles south of here and near the
site of last night's fight.

The dead man is George Carter, sen-
tenced from Oregon for horse steal-
ing. Carter was the leader of the
gang. He was shot through the wrist
and in the forehead.

George Duncan was shot through the
arm and will probably die. He also
was serving a sentence for horse steal-
ing and is believed to have been Car-
ter's partner. Albert Ferris was shot
through the left arm, the bullet lodging
in his lung. He is in a serious con-
dition. He was serving a sentence for
burglary.

At daybreak this morning the posse,
which had continued the struggle last
night until long after midnight, took
up the search for the fugitives.

The men had not moved any consid-
erable distance in the night before day-
light and were soon located, making
light and were soon located, making
light and were soon located, making

The posse began shooting at the gang,
and when the fugitives closed in on
the fugitives, Carter was dead and the
other two were too badly injured to
make any further resistance.

After the men had been captured it
was ascertained that Duncan was
wounded by Deputy Sheriff Johnson in
the exchange of shots at Buena Vista
last night, when Johnson was himself
wounded. John also shot Carter in
the wrist during this fight. All during
last night the posse was unaware
of any of the gang was hurt.

With these three out of the way, a
posse headed by Sheriff H. P. Minto
of Marion county turned its attention
to the two other fugitives who remained
in the neighborhood of the gang Fri-
day night or Saturday. Minto and his

AFTER DOCTORS FAILED

Lydia E. Pinkham's Vegeta-
ble Compound Cured Her.

Williamette, Conn.—"For five years
I suffered untold agony from female
troubles, causing backache, irregular-
ities, dizziness and nervous prostra-
tion. It was impossible for me to
walk upstairs without stopping on the
way. I tried three different
doctors and each told me some-
thing different. I received no benefit
from any of them, but seemed to suf-
fer more. The last doctor said noth-
ing would restore my health. I began
taking Lydia E. Pinkham's Vegetable
Compound to see what it would do,
and I am restored to my natural
health."—Mrs. ETNA DONOVAN, Box
299, Williamette, Conn.

The success of Lydia E. Pinkham's
Vegetable Compound, made from roots
and herbs, is unparalleled. It may be
used with perfect confidence by women
who suffer from displacements, inflam-
mation, ulceration, fibroid tumors, ir-
regularities, periodic pains, backache,
bearing-down feeling, dizziness, irri-
tation, dizziness, or nervous prostra-
tion.

For thirty years Lydia E. Pinkham's
Vegetable Compound has been the
standard remedy for female ills, and
suffering women owe it to themselves
to at least give this medicine a trial.
Proof is abundant that it has cured
thousands of others, and why should it
not cure you?

partly early in the day struck a trail
which they believed is that of the
convicts and they are now following it
through the underbrush. This part of
the gang is composed of Mike Nichol-
son, sentenced for larceny, and Albert
Murray, serving a sentence for arson.

TO AID THE POOR.
New York, Oct. 18.—The financial
statement of the New York Association
for Improving the Condition of the
Poor during the last year shows that
the association has expended \$2,000,000
for the relief of the destitute in
this city. More than \$200,000 has been
contributed, but the demands were so
great that the association spent \$2-
000 more than it received.

WOMAN'S NATURE

Is to love children, and no
home can be happy without
them, yet the ordeal through
which the expectant mother
must pass usually is so full
of suffering and dread that
she looks forward to the hour
with apprehension. Mother's Friend,
by its penetrating and soothing properties,
allays nausea, nervousness,
unpleasant feelings, and so prepares the system for the ordeal that
she passes through the event
with but little suffering, as
numbers have testified and
said, "It is worth its weight in
gold." \$1.00 per bottle of druggists.
The book containing valuable in-
formation mailed free.
THE BRADFIELD REGULATOR CO.
Atlanta, Ga.

MOTHER'S FRIEND

STOMACH GAS, INDIGESTION,
HEARTBURN AND HEADACHE GO.

Take a little Diapiesin now and
your Stomach will feel fine
in five minutes.

They family here ought to keep
some Diapiesin in the house, as any-
one of you may have an attack of in-
digestion or stomach trouble, at any
time of day or night.

This harmless preparation will dis-
cuss anything you eat and overcome
indigestion, out-of-order stomach,
five minutes afterwards.

If your meals don't tempt you, or
if you feel like a lump of lead in your
stomach, or if you have heartburn,
that is a sign of indigestion.

Ask your Pharmacist for a 50-cent
bottle of Diapiesin and take a
little just as soon as you can. There

will be no sour risings, no belching
of undigested food mixed with acid, no
stomach gas or heartburn, fullness or
heavy feeling in the stomach, Nausea,
Debilitating Headaches, Dizziness or
intestinal griping. This will all go
and, besides, there will be no sour
food left over in the stomach to poison
your breath with nauseous odors.

Paper's Diapiesin is a certain cure
for out-of-order stomachs, because
it prevents fermentation and takes
hold of your food and digests it just
the same as if your stomach wasn't
there.

2 1/2 TIMES AS MUCH LIGHT FOR THE SAME MONEY

TUNGSTEN LAMPS make electric light much cheaper.
They have two and one-half times the efficiency of the ordi-
nary carbon lamp hitherto in general use. The filament is
made of a rare metal called Tungsten, which yields an in-
tense brilliancy at low cost. In shape and size the bulb is
just like any other incandescent lamp. Why not try a
Tungsten lamp yourself? Get one of the 25 C. P. size and
use it somewhere in your house or place of business instead
of one of your carbon lamps, then observe the great differ-
ence. Note the clear white light, exactly twice as brilliant
and costing you one-fifth less for electricity. Tungsten
lamps are destined to displace all others, for both store and
house lighting.

SEATTLE'S FAIR THING OF PAST

Was More Successful Than Its
Most Zealous Friends Had
Dared to Hope.

ITS CLOSE WAS GLORIOUS.

Seattle, Wash., Oct. 16.—At midnight
tonight the 150,000 electric lights of
the Alaska-Yukon-Pacific exposition
were put out, closing the world's fair
of 1909, which from every standpoint
was more successful than its most ze-
alous friends had dared to hope. The
final moments of the fair were as dra-
matic as its beginning on June 1, when
30,000 persons gathered at the natural
amphitheater and waited for President
Taft's signal.

The last day had been devoted to
saying good-bye. The sun shone bright-
ly, the flowers were never more beau-
tiful and the whole exposition looked
as new and fresh as on the opening
day.

CLOSING EXERCISES.
The exercises of the closing day be-
gan at 2:30 p. m. with a display of
Japanese fireworks. The exposition
band paraded from building to build-
ing, serenading each. The United
States government building was reached
at 5:30 o'clock, its daily closing hour.
A concert band, "taps" and the band
played "Auld Lang Syne." The flag
was hoisted under the life saving
creek on Lake Union from 21 guns and
the doors of the building were locked.

At night a great throng of people as-
sembled at the natural amphitheater
beside Lake Washington and listened
to a classical band concert. At 11:30
p. m. the exposition officials and em-
ployees marched from the administra-
tion building to the amphitheater for
the final exercises. On the stage Josiah
Collins, chairman of the committee on
ceremonies, presided and spoke briefly.
President J. E. Chilberg made an ad-
dress of thanks and farewell, and ex-
actly at midnight he opened a switch
that darkened the whole fair. A single
bugle blew "taps" and then, in dark-
ness, hark for the stars overhead. The
vast audience sang "Auld Lang Syne."
The street lamps were lighted again
and the people went home.

On the Fair Streak the celebration
was noisy but orderly, and closed with
fireworks, the last pieces being "Good
night," "Good-bye."

The exposition, the purpose of which
was to acquaint the world with the
mainland resources of the Pacific coast,
including Alaska, Yukon territory and
British Columbia, has amply fulfilled
its mission. The total attendance was
nearly 2,750,000, and so many visitors
came from eastern states that the rail-
roads were unable to handle them com-
fortably.

The exposition was financed by the
people of Seattle, without a government
loan. An appropriation by the state
derived from the sale of state lands in
this city was expended for permanent
buildings, which revert to the state
university, on whose campus the ex-
position was held.

The grounds were parked at a cost
of \$500,000, the walks and other im-
provements being permanent. More
than 25 buildings, and all the foun-
tains, trees and shrubbery, will be
retained by the university. The grounds
will be maintained permanently in
their present condition, probably at
the joint expense of the city and state.

HAD A SURPLUS.
The exposition paid all its debts and
secured a surplus, not yet computed, for
its stockholders. No liquor was per-
mitted to be sold within two miles of
the grounds. The exposition was opened
at noon June 1 with exercises in which
American and Japanese fleets, Presi-
dent Taft and J. J. Hill participated,
and during its course the fair has en-
tertained the president of the United
States and a large number of the dis-
tinguished people of the country.

The late Gov. Johnson of Minnesota
addressed his audience here and Gov.
Hughes of New York made here two
speeches. President Taft's ship subsidy
policy and his Alaska policy were out-
lined in the fair amphitheater, and
from the same platform William Jen-
nings Bryan made reply.

TOTAL ATTENDANCE.
Seattle, Wash., Oct. 17.—The total at-
tendance at the Alaska-Yukon-Pacific
exposition from the time the gates
opened on June 1 until the close last
night was 2,750,000. Of this number
2,755,683 were paid admissions and 274-
885 were free. It is estimated that the
fair earned a profit of \$200,000, which
will be returned to the stockholders.

\$100.00 REWARD.
Would gladly be paid for a cure by
many people who are crippled with rheu-
matism, yet if they only knew it they
can be cured by a few bottles of Bal-
lard's Snow Liniment, and the price is
only 25c. 50c and \$1.00 per bottle. Sold
by Z. C. M. I. Drug Dept. 112 and 114
South Main Street, Salt Lake City.

WAR BETWEEN JAPAN
AND RUSSIA PREDICTED

Victoria, B. C., Oct. 17.—Prophecies of
a second war between Japan and Rus-
sia are made in the Hoch Shinkun, a
Tokyo paper. Under the heading "Su-
perfluous Peace," the newspaper, brought
by the Empress of India today, com-
menting on an interview with B. Sa-
saka, a Japanese member of parliament
returned from Siberia and Manchuria, says:
"In view of the fact that no small
sacrifices have been made for complet-
ing the military preparations in Man-
churia and Vladivostok and that a strict
and cautious watch is being kept on
the actions of Japanese, it will be
quite obvious that the Russians are
thinking of a war of revenge. Vladiv-
ostok is being extensively fortified and
only a small part opened to trade.
Of the 100,000 inhabitants, 50,000 are
soldiers. Now that the right to con-
struct the Kirin-Hoivong railway has
been secured, Japan should turn her
exertions to competition with Russia
in Kirin and Mongolia and checkmate
Russia's seeking an outlet on the sea
of Japan."

COLD WEATHER ADVICE
To all is to beware of coughs and colds
on the chest, as neglected they lead
to pneumonia, consumption or other
pulmonary troubles. Just as soon as
the cough appears treat it with Bal-
lard's Horehound Syrup, the standard
cure of America. Use as directed—per-
fectly harmless. A cure and prevention
for all diseases of the lungs. Price, 25c.
60c and \$1.00 per bottle. Sold by Z. C. M.
I. Drug Dept., 112 and 114 South Main
Street, Salt Lake City.

Both phones.

SURGICAL OPERATION
CURED A BAD BOY

Philadelphia, Oct. 18.—A few months
ago 12-year-old Christopher Kahn, raid-
ed baker wagons, stole from his father,
ran away from home, caught rides on
trains, terrorized the neighborhood
where he lived and ended in the house
of detention where he was threatened
with a term in a reformatory. But Dr.
William F. Baker intervened, removed
a section of the boy's skull, which
pressed on his brain, took out about two
inches of bone, and inserted a silver plate and
wires.

yesterday Christopher left the hospital
where the operation was performed.
When Dr. Baker undertook the case
he made an X-ray examination and dis-
covered that the skull had been frac-
tured by a fall from a train and that
two splinters of bone were imbedded in
the brain and he later located an ab-
scess, which had formed at the base
of the brain.

Speaking of his escapades yesterday
the boy said:
"Half the time I didn't know what
I did. I just felt crazy and did not
care for anybody—I do now though.
Some times when I think how mean
I was to mother, I just cry about it
and she knows I didn't mean it. And
she knows I want to make up now and
help her out."

TO PREVENT HAY FEVER.
Chicago, Oct. 18.—The task of saving
Chicagoans from hay fever next sum-
mer will be undertaken this week by
an aldermanic committee and the
health department.

The aldermen have decided that the
cutting of all the weeds within the city
limits will prevent the malady. An or-
dinance has been prepared requiring
everyone to mow their weeds under
penalty of a fine.
This measure places upon the health
department the duty of seeing whether
the measure is complied with.

NEVER WORRY
About a cough—there's no need of wor-
ry if you will treat it at its first
appearance with Ballard's Horehound
Syrup. It will stop the cough at once
and put your lungs and throat back into
perfectly healthy condition. Sold by Z.
C. M. I. Drug Dept., 112 and 114 South
Main Street, Salt Lake City.
